

Youth Nationals 2013 initial discussion meeting

I would like to invite you to a meeting next Monday evening 30th January at MPB starting 7pm.

Sorry for the short notice but I would like to meet this month and club nights fill most other nights.

The purpose of the meeting is to firstly decide if we wish to formally place a proposal to AA for the junior nationals 2013.

If we do agree to proceed I propose that we start the formation of a committee.

I hope to get as many of the people who have expressed an interest in working towards the event as well as some of the team involved in the senior nationals.

I want to outline what is involved in the event planning and implementation as well as some added opportunities and pressures with juniors.

I will produce an agenda later in the week and give final confirmation.

Can you please let me know if you can or cannot attend ASAP. If you cannot attend please outline if you are able to help in the planning of the event and (or) the running of the event.

If there is anybody that you think should be invited please copy this to them or let me know and check that I have emailed the.

If you are one of our juniors please pass this on to your parents.

Best regards
Dave
