Dear RGB and Club Secretary

SUBJECT: HIGH PERFORMANCE YOUTH DEVELOPMENT PROGRAM

Archery Australia is committed to helping develop world class athletes and for Australia to be ranked as one of the top countries in our sport.

Archery Australia is currently developing a High Performance Youth Development Pathway Program and establishing a Youth Committee to ensure all young athletes who wish to be involved at the elite level are encouraged and supported to help them achieve at the top end.

The focus of our Youth Development Pathway Program will ultimately lead to the chance to represent Australia in World Championships and the Olympic Games.

Initially we are looking at creating a distribution list of all athletes/coaches/managers who would be interested in being a part of this new program.

As you are aware, the London Olympic Games are the focus of High Performance Archery this year BUT we need to focus on the future of our sport and develop a plan for the next 4 years and beyond. We believe there a lot of talented athletes, coaches and administrators that are out there and need our support. We not only need top athletes, we are in need of high level coaches and support administrators.

Archery Australia is committed to creating an elite pathway that starts with youth athletes and club coaches and turn them into elite athletes through the support of the High Performance Program.

In addition, Archery Australia wishes to appoint a Youth Committee as part of our Youth Development Pathway Program.

This committee will have valuable input into the development and support of the Youth Development Pathway Program. The Youth Committee will create an inclusive environment to further value add to our program.

If you are interested in applying to become a member of the Youth Committee, please send an Expression of Interest and a short resume of your background in Archery by email to Leesa Moss, AA High Performance Administrator leesylo11@hotmail.com

If you wish to be added to the distribution list please complete the relevant sections on the attached spreadsheet and return to leesylou11@hotmail.com

All expressions of interest for the Youth Committee and to be included on the distribution list should be submitted by Sunday 15th January 2012.

It would be greatly appreciated if you could please distribute our message & attached spreadsheet to all of your club contacts and have all interested individuals
