PRESS RELEASE

2011 NATIONAL CHAMPIONSHIPS

23 August 2010

Following on from the success of the 2010 National Championships the Archery Australia Board has approved Archery Society of South Queensland to conduct the 2011 National Championships.

The Archery Australia Board has developed the following statements that indicate the purpose and direction of future National Championships compared to the Australian Open Championships.

- *The National Championships is an event that caters for all members of any age, equipment type and gender.*

The rounds that are shot should reflect the history of the sport and the general activities practiced by the members at regional and club levels such as Target, Field and Clout.

- *Australian Open is a cutting edge event catering to the elite and aspiring athletes of the sport in Australia and around the world. The rounds to be shot will reflect the World Plan of FITA.*
