9th July 2008

SUBJECT – CERTIFICATE OF MERIT

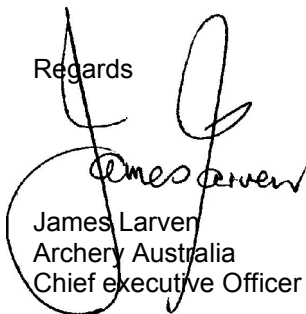

At the Archery Australia Board Meeting conducted on the weekend of the 5th and 6th July 2008 the Archery Australia Board decided to introduce a Certificate of Merit to be used for all future National Championships.

For National Youth Championships, National Championships and National Indoor Championships commencing in 2009 a new award will be introduced.

If an archer obtains a place and is not eligible for an Archery Australia National Championship medal under Archery Australia rule 7.12.7 they shall be called to the dais and presented with a Certificate of Merit.

The Certificate of Merit shall be provided by Archery Australia and shall be inscribed with the archers name, event, date and place by the organising committee; this information should be inscribed in a printed format (not hand written) for appearance and ease of reading.

Regards

James Larven
Archery Australia
Chief executive Officer
